SAVORY PIZZAS

Alfredo 🌱 Our number one selling pie! Our rich and creamy alfredo sauce is topped with a hand-shredded mozzarella.

Bacon C'mon, it's bacon. Of course it's awesome!

Bacon Cheese Fry This bad boy has smoked bacon, crispy potatoes, mozzarella, and cheddar cheese - all on a zesty layer of ranch. It's absolutely ridiculous.

BBQ Cheddar Burger This pizza is bursting with backyard BBQ goodness. Each flavor complimenting the others to deliver the goods. One slice WILL NOT be enough!

BBQ Chicken Tender pieces of chicken are smothered in the world famous Sweet Baby Rays BBQ Sauce, then topped with a layer of mozzarella.

Broccoli Alfredo 🌱 It's our original alfredo pizza, but with - wait for it - broccoli on it.

Buffalo Chicken 🔥 Tantalize your taste buds with our bold flavors of chicken and buffalo sauce. One bite and you're hooked.

Cheese 🌱 Sometimes a plain cheese pizza is all you crave. We totally get it.

Chicken Bacon Ranch Bursting with flavor, this pizza is piled high with mouth watering chicken, a hint of smoked bacon, mozzarella, finished with a layer of ranch to really make it pop!

Ham & Pineapple The choice pie for strumming your ukulele on the white sandy beaches of Hawaii. Okay, maybe it's an acoustic guitar, and maybe you're in Pennsylvania. That's fine too.

Ham Hoagie Thinly-sliced ham, juicy tomatoes, red onions, and a dash of herbs and spices team up with our mozzarella to make this crazy pie. Is it a hoagie? Is it a pizza? Don't worry about it - it's delicious.

Margherita 🌱 Fit for the Queen of Savoy, this classic features our homemade garlic butter, fresh basil leaves, juicy tomatoes, which all sit under a layer of mozzarella.

Mushroom 🌱 We use only the freshest button mushrooms, Mario and Luigi are total fans!

Pepperoni Who doesn't love, pepperoni?

Pepperoni & Sausage Because one meat on your pizza just isn't enough!

Rosé 🌱 This pie features a luscious blush sauce which blends tomatoes, Romano cheese, cream, and a garnish of traditional herbs and spices. It's easily the sexiest pie we make.

Sausage A staple for sure, our sausage is perfectly balanced with just the right amount of sweetness and spice.

Sausage, Peppers & Onion Our crumbled sausage, fresh red onions, and sweet banana peppers are like a three-part harmony in a 1980's rock ballad. Maybe it's the onions, but you'll definitely shed a tear.

Sensa Formaggio (Dairy Free) 🌱 This is our take on Philly's Tomato Pie. It features our handmade crust, traditional pizza sauce, and a medley of hand-cut veggies. There's no cheese on this pie, so it's perfect for Vegans or someone with a milk allergy.

Spicy Meatball 🔥 Diced Italian meatballs, tossed in cayenne pepper. It packs a punch - trust me!

Tuscan Taco 🔥 This pie starts with our homemade pizza crust. It's then topped with a mild taco sauce, seasoned beef, and then smothered in mozzarella and cheddar.

Veggie 🌱 A fresh medley of hand-cut mushrooms, green peppers, and red onions piled on top of mozzarella.

White Garlic 🌱 I'm going to make you a pizza you can't refuse. With Garlic. LOTS OF GARLIC.

DESSERT PIZZAS

Apple, Cherry & Blueberry We begin with our homemade crust, spread a layer of cream cheese, add our fruit filling, and then top it off with our irresistible streusel. You'll swear your grandmother commandeered our kitchen and baked a homemade pie for you.

Chocolate Chip Loaded with semi-sweet chocolate chips, this dessert pie brings you back to Childhood, when you insisted on eating cookies that came right out of the oven. Now that you're all grown up, it's totally okay to do that!

Oreo® We managed to get our hands on the actual Oreo® filling used to make those insanely amazing cookies - we start with that, and then we crush some authentic Oreo® crumbs over it! It tastes exactly like an Oreo® (mainly because it's an Oreo®)!

S'mores Ooey-gooney marshmallow cream topped with semi-sweet chocolate chips and graham cracker crumbs. Boom! Instant campfire in-your-mouth!
